Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SR02603LA

This Certificate issued to Aerocraft Inc.
4420 Commodity Way, Suite B
Shingle Springs, California 95682

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified herein meets the airworthiness requirements of Part 6 of the Civil Air Regulations and Part 27* of the Federal Aviation Regulations* *Additional Part 27 sections listed in H3WE are applicable to the NOTAR System.

Original Product Type Certificate Number: H3WE

Make: MDHI (Hughes)

Model: 369D, 369E, 369FF and 500N

Description of Type Design Change: Installation of the Part Number ARC-500-1 Skid Tube Step Assembly onto LH and RH extended Landing Gear Skid Tube MDHI Part Numbers 369D290006-9 and -10 respectively, in accordance with the Master Data List (MDL) Document Number ARC-500-MDL, Revision B, dated August 12, 2016, or later FAA approved revision.

Limitations and Conditions: This Skid Tube Step installation is approved as a provisional installation only. Any inflight use of the step to carry any person for any purpose requires operation approval by the Flight Standards District Office (FSDO) for those specific purposes. The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 8, 2015

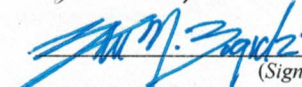

Date reissued: October 20, 2016

Date of issuance: August 24, 2016

Date amended:
